CLARENCE FOOTBALL CLUB GENDER POLICY

GENDER REGULATION POLICY

GENDER REGULATION

In accordance with the Equal Opportunity Act people aged under 12 years of age cannot be excluded on the basis of sex or gender identity from participating in a competitive sporting activity.

Pursuant to the relevant provisions of the Act, people of one sex or gender aged 12 and over can be excluded from participating in competitive sporting activities in which the strength, stamina and physique of competitors is relevant.

The Club may exclude females who reach 14 years of age as at 1 January from playing in any competition that is not a ~~female~~ competitionq

People who have been through the Gender re-assignment process shall be deemed the gender as verified by the appropriate State Government documentation.

Definition: Female competition

A female competition is a competition in which the majority of the players are female.
