The Coterie is a setting in which you will have a wonderful opportunity to grow your business in a unique networking environment. The Coterie consists of small medium and large business owners representatives who will be provided with exclusive access to the Thylacine Lounge at Blundstone Arena for the purpose of networking in a relaxed informal environment. Hosts will welcome you, profile you and your business, and introduce you and your invited guests to others looking to mingle in a commercial setting.

**When?** To each Clarence Football Club home game at Blundstone Arena in 2016
